

144-core bundled pigtail

Overview

This 144C modular ODF is composed of 12pcs pre-loaded 12C splicing and patching unit that includes FC/SC/ST/duplex LC compatible adaptors, pigtails and 12 core splice tray. Integrated design provides OSP cable fibers and pigtail splicing, patch-cord termination and. Waterproof cables are designed to simplify the installation and maintenance of optical network products such as optic nodes and amplifiers. Compact & strong crimping offers exceptional tensile strength in cable assemblies. 144 Port Termination Box comes in Singlemode or Multimode with (1) 144 Fiber connectorized cable, (3 meters each). What is your company product?

A: Our main product ranges Fusion Splicer, SFP+ Modules, GEAPON OLT, GEAPON XPON ONU, with good quality and factory direct price. It is mainly used for cable inlet, grounding and fixing and the splicing between the terminal end and pigtail.
