

# **800G Industrial Switch for Rail Transit**

## **800G Industrial Switch for Rail Transit**

---

### **LNP-C800G , Industrial PoE Switch , Antaira**

---

Antaira's LNP-C800G industrial switch has been specifically designed for rugged and harsh environmental deployments. This Ethernet switch series is housed in a hardened IP30-rated metal

### **LNX-800G**

---

Antaira Technologies' LNX-C800G series is a compact 8-port industrial Ethernet switch. The small form factor of this metal IP30 rated industrial switch is 30% smaller allowing for a more versatile

## **Siemens\_RA\_MT\_Brochure\_07.20.17 Single Pages.pdf**

---

Mass Transit Solutions Intelligent and future-oriented mass transit systems for passengers and rail operators The rail automation systems from the world market leader and pioneer of railway signaling

## **Industrial Railway Switches EN 50155 ITP-800 by CTC Union**

---

CTC Union ITP-800, Unmanaged Ethernet Switch with 8x 100 Base-TX M12 Ports, EN50155 Certification, Redundant Dual 12/24/48VDC Input Power, IP67, -10..+60C Operating Temperature.

## **EN 50155 , Railway Industrial Ethernet Switches , Antaira**

---

Antaira's EN 50155 certified industrial switches are designed to meet the rigorous

demands of railway and onboard train applications. These industrial switches ensure reliable and stable network

## **Supermicro SSE-T8164 800G Ethernet Switch**

---

The SSE-T8164 comes with 64 OSFP 800G ports in a 2RU form factor to meet the leaf, spine and superspine data center architectures. The interfaces provide flexibility to meet a variety of speeds and use

## **ITP-800-E: 8 Port Fast Ethernet Industrial Switch IP67**

---

Discover the ITP-800-E a waterproof 8-port Fast Ethernet switch for industrial use. EN50155 compliant - buy now for harsh environments!

## Data Center Switch

---

Watch the video to learn how DS5000 delivers consistent, high-performance and low latency, helping you stay ahead of the demands of today's evolving digital

## TNS5000D-8T: 8-Port 100M Layer 2 Unmanaged Industrial Ethernet Switch

---

Introducing the TNS5000D-8T, a Wall Mounting 8-Port 100M Layer 2 Unmanaged Industrial Ethernet Switch designed specifically for rail transit applications. This robust switch supports 8 100M M12

## HSW-800 8x RJ45 Ports Fast Ethernet Industrial Fiber

---

Explore the HSW-800 industrial Fast Ethernet switch with redundant power. Wide temp-

buy for reliable connectivity!

## **Advances in switch machines and stands**

---

As technologies advance, manufacturers of switch machines and switch stands are keeping up to speed to provide railroads reliable switching

## **Hardened Ethernet Switch Connectivity Solution for**

---

Combining M12 connectivity, IP67 water- and dust-resistant protection, Light Layer 3 management, and dual 1G/10G SFP+ uplinks, this next

## **LNX-800AG-T , 8-Port Industrial Gigabit Ethernet**

---

Overview Antaira Technologies' LNX-800AG-T industrial Gigabit unmanaged Ethernet switch series is IP30 rated and DIN-Rail mountable with

## **Managed DIN Rail Ethernet Switches: IGS-801M , 8-Port**

---

IGS-801M: Managed Industrial Gigabit Ethernet Switch für industrielle Anwendungen  
Unsere IGS-801M Managed Industrial Gigabit Ethernet Switches präsentieren

## **IFS-0801 8-Port Fast Ethernet Industrial Switch, DIN**

---

Industrial Ports: 8 x 10/100BASE-TX Fast Ethernet ports for connecting controllers, sensors and field devices. Auto Configuration: 10/100Mbps full/half-duplex auto

## **Industrial Ethernet Switches , Phoenix Contact**

---

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

## **8-Port Industrial Gigabit Ethernet DIN-Rail Switch**

---

TRENDnet's 8-Port Industrial Gigabit Ethernet DIN-Rail Switch, model TI-G80, features a rugged IP50 rated metal enclosure. This industrial unmanaged

## **DIS-100G-8SW 8-Port Gigabit Unmanaged Industrial**

---

The D-Link DIS-100G Series industrial switches are compliant with all international requirements for product safety and electromagnetic compatibility that ensure

## **EN 50155 Switches**

---

Moxa is an IRIS-certified company that offers a large portfolio of rugged Ethernet switches that comply with the mandatory sections of the EN 50155 standard.

## **Railway Network Switch Connectors and Solutions , Amphenol LTW**

---

To meet the growing demand for reliable onboard railway communications networks, it is important to offer a wide range of industrial Ethernet switches that complies and in many cases exceeds the

## **Data Center Switch**

---

Celestica's 800G Family of Network Switches are purpose-built to support cutting-edge AI/ML and HPC requirements. The DS5000 delivers unparalleled high

## Industrial Ethernet Switches , WAGO

---

WAGO's switch portfolio provides scalable Ethernet network infrastructure with excellent electrical and mechanical performance. These rugged devices are
