

# About Conveyor Cable Trays

## Overview

---

Cable trays, or carrier trays, are mechanical support systems for cables. They provide a robust structural that accommodates and safely transports cables from one point to another. Our cable trays meet the standard quality and testing requirements demanded in Turkey and many other countries around the world. As an industry leader in cable tray, Eaton offers one of the widest ranges of B-Line series cable management.

## About Conveyor Cable Trays

---

## Trayco Cable trays , Trayco

---

With our cable trays with integrated ends, Trayco® is constantly looking for solutions that increase our customers' competitiveness due to their capacity, light weight

## Cable Tray Systems

---

Durable and reliable cable tray systems providing premium performance in commercial and industrial applications, available in a variety of materials to suit your needs.

## CABLE TRAYS GENERAL INFORMATION AND

---

Using cable trays as walkways can cause personal injury and also damage cable tray and installed cables. Performances of cable tray systems are dependent on

## **Cable Tray Technical Guide A practical guide to product selection and**
