

American cable tray manufacturer for building applications

Overview

Atkore's US Tray was established in 2012, as an American manufacturer of made-to-order cable trays that are built per NEMA standards and certified by UL. Therefore, we've analyzed the market to identify the premier Cable Tray Manufacturers. We offer modern, innovative, and technically advanced cable trays, tray covers and wire management accessories, support, and logistics management. Serves the agricultural, aerospace, antenna, electrical, HVAC, railroad, military, and telecommunications industries. Heavy duty cable trays and cable ladders are manufactured from pre-galvanized, electro-galvanized, or hot-dipped galvanized sheet metal, designed to meet ideal environmental working conditions for indoor and outdoor use in commercial or industrial environments with high cable density.
