

Austrian Mobile Optical Cable Circuit Board Manufacturer

Overview

The AT&S Group is a global company and operates production sites in Europe and Asia: Leoben and Fehring in Austria, Nanjangud in India, Shanghai and Chongqing in China, and Kulim in Malaysia. KNILL Energy offers fittings for optical fibers as part of its diverse product portfolio, which also includes systems for high-voltage transmission lines. A list of the leading PCB Manufacturers and PCB Fabrication companies in Austria is listed in this directory. PCB fabrication is the process of manufacturing a printed circuit board from raw materials based on a circuit design. THE COMPLETE PROVIDER IN THE CABLE SECTOR At PENGG KABEL, we specialize in the production of cable infrastructure components. Control technology, visualization, electrical engineering The team at TLM Automation GmbH has many years. As a full-service provider in the cable sector, we are also pleased to offer you various services in the area of copper and fiber. In a fast-moving and complex industry, it is crucial to know not only the technical requirements, but also the specific needs and goals of our customers.

Austrian Mobile Optical Cable Circuit Board Manufacturer

Elgoline

We manufacture printed circuit boards according to IPC standards. Final inspection verifies the compliance of the printed circuits, which are then packaged and
