

Azerbaijan Steady-State Spectrometer Company

Overview

"SEM-AZ" company was established in the Republic of Azerbaijan on May 15, 2009, and continues to operate in accordance with the legislation of the Republic. It specializes in equipping physico-chemical laboratories with the most modern equipment, reagents, service and staff. Bahruz Suleymanov, a distinguished scientist with a PhD in Physics and decades of experience leading research and commercial environmental projects. The main purpose of this corporation is to provide solutions for all test and measurement areas to related companies in. Analytik Jena is a leading provider of high-end analytical measuring technology, instruments, and products in the fields of biotechnology and molecular diagnostics and high quality liquid handling and automation technologies. Azecolab is an environmental laboratory service company established in 2000 by supporting of Azerbaijan National Academy of Science, US Civilian Research Development Foundation, NATO Science for Peace program and OSCE.

Azerbaijan Steady-State Spectrometer Company

Steady State Fluorescence Spectrometers

SteadyStateFluorescenceSpectrofluorometersSteadyStateFluorescenceSpectroscopy investigates the long-term average Fluorescence of a sample when irradiated with UV, Visible or near-IR Light.

FS5 , Electro Optics

FS5 Edinburgh Instruments has launched the FS5, a fully integrated steady state spectrometer with single photon sensitivity, designed for the research and analytical market.

Shimadzu Corporation Companies And Suppliers Serving

For nearly 50 years Kratos Analytical has provided state-of-the-art spectrometers for both surface and biochemical analysis and we are committed to continuing with development of leading technologies.

Steady-state/Transient Fluorescence Spectrometer

The steady-state/transient fluorescence spectrometer testing service can be used to assess the emission wavelength, quantum yield, and fluorescence lifetime of

Home , LABSERVIS LTD , Always one step ahead

The company is the official distributor of more than 40 worldwide known manufacturers from Europe, USA and Japan. More than 70% of the delivered

Azerbaijan Spectrometer Market (2025-2031) , Size & Industry

Spectrometer Market: Azerbaijan vs Top 5 Major Economies in 2027 (Asia) By 2027, the Spectrometer market in Azerbaijan is anticipated to reach a growth rate of 5.44%, as part of an increasingly

Spectrometer in Azerbaijan, Spectrometer Manufacturers Suppliers

We are recognized among the best manufacturers of Spectrometer in Azerbaijan and become a trusted platform to buy standardized solutions that give clients value for money. Our focus on delivering the

Azerbaijan Portable Spectrometers Market (2025-2031) , Demand

Azerbaijan Portable Spectrometers Industry Life Cycle Historical Data and Forecast of Azerbaijan Portable Spectrometers Market Revenues & Volume By Type for the Period 2021-2031

Azerbaijan's Spectrometers and Spectrophotometers Market Report

In value terms, the United States, the Netherlands and Germany constituted the largest spectrometers and spectrophotometers suppliers to Azerbaijan, with a combined 24% share of total imports.

Equipment calibration in Azerbaijan , Contacts

Services of checking of measuring instruments in the territory of the Republic of

Azerbaijan. Thank you for choosing us.

Maybo LLC - Maybo Azerbaijan

Founded in 2011 by Midhat Gurbanaliyev in Baku, Azerbaijan. The company was established after the importance and insufficiency of test and measurement areas were observed.

ir spectrometers Companies and Suppliers serving Azerbaijan

Designs & Prototypes is a privately held corporation founded in 1984 by Dr. Jens Peter Dybwad to focus on the development and supply of compact and portable FT-IR spectrometers, as well as contract

AZECOLAB

Az ecolab is participating in EU lab proficiency test schemes and represent of Azerbaijan in regional environmental programs. Lab personnel have mastered in ASTM, EPA and ISO analytical methods

ftir spectrometers Companies and Suppliers serving Azerbaijan

KASSAY is a supplier of specialized FTIR field spectrometers used for vapor leak detection, analysis of toxic gas plumes, and ambient air monitoring of greenhouse gas.

Global Steady State Fluorescence Spectrometer Market 2025 by

This report profiles key players in the global Steady State Fluorescence Spectrometer market based on the following parameters - company overview, sales quantity, revenue, price, gross margin, product

Spectrometers Companies And Suppliers Near Azerbaijan ,

Specac designs and manufactures accessories and sample preparation solutions for Fourier Transform Infrared spectroscopy (FTIR), X-Ray Fluorescence spectroscopy (XRF), and near infrared (NIR)

ABOUT US

ABOUT US "SEM-AZ" company was established in the Republic of Azerbaijan on May 15, 2009, and continues to operate in accordance with the legislation of the Republic. It specializes in equipping

Azerbaijan Spectrometry Market (2024-2030) , Segmentation, Growth

Historical Data and Forecast of Azerbaijan Spectrometry Market Revenues & Volume By Food & Beverage Testing for the Period 2020- 2030 Azerbaijan Spectrometry Import Export Trade Statistics

Steady State Fluorescence Spectrometer Market Analysis

The steady state fluorescence spectrometer market size was valued at US\$ 350 million in 2026, and is projected to reach US\$ 560 million by 2033, growing at a CAGR of 7.2% from 2026 to

mass-spectrometers Companies and Suppliers

serving Azerbaijan

Orbitrap Exploris - Model 240 - Mass Spectrometers Deliver on your objectives with the Thermo Scientific Orbitrap Exploris 240 massspectrometer by combining application flexibility with the

ABOUT US
