

Benin Politics

Overview

The Politics of Benin take place in the framework of a presidential representative democratic republic, where in the President of Benin is both head of state and head of government, and of a multi-party system.

Development of political system From the 17th century until the colonial period, the Kingdom of (whose borders encompassed more than. Spurred in part by the collapse of the and the resultant lack of donor support from the, as well as an economic crisis within the country, Benin adopted a new constitution in 1990 in order to open up. Benin had been among the most stable democracies in Africa, but President Patrice Talon began using the justice system to attack his political opponents after taking office in 2016, and electoral rules and a crackdown on his political opponents enabled him to consolidate his power in 2021. President Patrice Talon, who came to power in 2016, has radically strengthened the executive branch and reduced.
