

Cable tray payment in arrears

Overview

In billing, the most common options are: billing in advance and billing in arrears. Billing in arrears simply means that you bill your customers after the job is complete.

Cable tray payment in arrears

What does paid in arrears mean?

Paid in arrears can have two meanings: 1. When a payment is made after a service, job or billing cycle is finished 2. When a payment is made later.

What does paid in advance mean?

Paid in advance is when a bill or invoice is paid in full before the work begins or goods are delivered.

Why do employers pay in arrears?

Most companies pay in arrears because it makes processing payroll much simpler. By waiting until work has been completed, it's easier to calculate.
