

Carrier backbone network liquid-cooled switch SFP warranty

Overview

Enter your serial number into our Carrier Warranty Lookup Tool to check your warranty coverage. Use this info when contacting a dealer to learn more about your coverage, or contact customer care at 1-800-CARRIER. Carrier Corporation (hereinafter "Company") warrants this product against failure due to defect in materials or workmanship under normal use and maintenance as follows. All warranty periods begin on the date of initial operation or 6 months from the date of shipment, which-ever is earlier. This is how the Cisco Device coverage checker looks like after a serial has been verified and checked <https://cway>.

Carrier backbone network liquid-cooled switch SFP warranty

Comfort Network® , Carrier Commercial

Carrier Comfort Network® Intelligent climate control, built for progress The Carrier Comfort Network® empowers commercial property managers and business

DynaNET 100G-01

The DynaNET 100G-01 is a high performance switch for Automotive and rugged applications, where extreme levels of performance, reliability and compactness

Carrier-grade Flag Products-H3C

H3C's carrier-grade flagship product exemplifies industry-leading technological innovation and exceptional performance. This product series is renowned for its stability, reliability, and advanced

Warranty , Carrier Building Solutions UAE

After this strong start, your Carrier system is protected by a powerful new-equipment warranty, a warranty that reflects our confidence in the performance, reliability and durability that Carrier builds

Controls, Start-Up, Operation, Service and Troubleshooting

This publication contains Controls, Operation, Start-Up, Service and Troubleshooting information for the 30RB060-390 air-cooled liquid chillers with electronic controls.
