## Overview

---

These brackets allow the wire mesh tray to sit securely against the wall, preventing it from sagging or shifting over time. OBO BETTERMANN has offered products and solutions for electrical installation for over 100 years. With our many years of experience, we are one of the leading manufacturers in this field. Built from 2mm thick ribbed steel and finished with a hot dipped galvanised (HDG) coating, this bracket offers excellent strength. Unlike conduit systems, cable trays allow cables to be laid in bundles, improving accessibility, heat.

## Commonly Used Cable Tray Brackets

---
