Overview

This cable management bar is equipped with five horizontal plastic rings and is designed to ensure efficient cable organisation and routing within standard 19" racks and cabinets. You can simply and easily adjust the 5 plastic rings without the use of tools making this panel an easy and inexpensive solution for horizontal network rack cable management. CABLE MANAGEMENT: With the 1U cable grommets you bring order to 19" server and network cabinets and sort network or fiber optic cables with the D-ring hooks accordingly.
