

Gabon Telecommunications Company Fiber Optic Cable

Overview

On September 27, the Gabonese subsidiary of telecommunications giant Airtel, in collaboration with the Ministry of Digital Economy, launched a 208-kilometer state-of-the-art fiber optic network. Gabonese economic operators are being provided with interconnection with three border countries: Congo, Equatorial Guinea and finally Cameroon. 6Wresearch actively monitors the Gabon Fibre Optic Cable Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue analysis, and forecast outlook. Our insights help businesses to make data-backed strategic decisions with ongoing market dynamics.
