

How much does an overhead cable tray cost per meter

Overview

They are strong, durable, and widely available, making them ideal for general-purpose electrical installations in residential, commercial, and industrial settings. The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. During my time working on construction sites, I have observed the amount of time that goes to waste in an attempt to insert a heavy piece of wire through a pipe with a bend in it. Ask ten buyers about cable tray cost, and most of them will point to the rate per meter.
