

Huawei S9303 Core Aggregation Switch

Overview

The Huawei S9303 is a Layer 3 application-level Ethernet aggregation switch with a backplane bandwidth of 1228 Gbps and three service slots. The forwarding performance is good, reaching 540MPPS, and the switching capacity is 720G. When the chassis has no cable management frame installed, the dimensions (H x W x D) are 175 mm x 442 mm x 517. It offers enhanced scalability, flexibility, and reliability, tailored for modern network infrastructures. Huawei S9300 Series Switch S9303 support 2*Main Control Units (MCUs), 3* Line Processing Units (LPUs), and AC or DC power modules in 1+1 backup mode Huawei S9300 Series Switch S9303 support 3 LPU slots, 2 MCU slots, 2 system power supply slots, and 1 PoE power supply slot The S9303 chassis is 4 U. Product description: The HUAWEI S9300&S9300E&S9300X series switches come in the following models: S9303, S9306, S9310, S9312 and S9303E, S9306E, and S9312E. The S9303/S9303E, S9306/S9306E, S9310, and S9312/S9312E support We hold a large amount of HUAWEI S9300 series items in stock.

Huawei S9303 Core Aggregation Switch

Quidway S9300 Series Terabit Routing Switch

The S9300 has three models: S9303, S9306, and S9312. Their switching capacity and port density can be expanded continuously. The three models use universal modules and components. This not only

Standalone AC Solution: Aggregation Switches Function as Gateways

Core switches set up a CSS that functions as the core of the entire campus network to implement high network reliability and forwarding of a large amount of data. Aggregation switches set up stacks to

Thunder-link

Thunder-link - Huawei S6730-H series 10GE switches are next-generation enterprise-class core and aggregation switches that provide 10GE downlink optical ports and 100GE

Huawei Enterprise S9300 Series Terabit Routing Switches

Product Overview The S9300 series switches (S9300s) are next-generation high-end terabit routing switches, developed by Huawei and designed for multiservice convergence. The S9300 design is
