

Huijue Optical Cable Distribution Box 36 Cores

Overview

Applicable for standard 19 inch rack installation; High quality grade cold rolled steel with powder coating; SC/FC adaptors and pigtails could be installed, and max. capacity is 36 cores; Reliable fiber cable fixing, protection of stripped fiber cables and grounding; Company Introduction: Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products. According to the applications, it can be classified into the Rack type and book type, which the former is. It is with 3 pieces splice tray, each tray 12 fibers, the top layer is for splicing, with desiccant. Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical distribution network equipment.
