

Ibox Smart Distribution Box

Overview

The iBox is a multifunctional waste container that integrates accessibility, sustainability, and communication features to help you comply with EU regulations. Designed for public and commercial spaces, it seamlessly combines functionality and modern design to meet the needs of all. If you purchase this item between 1 November and 25 December 2025, it can be returned until 31 January 2026 or within 30 days from receipt (whichever is later). For seller's return policy click on seller's name located in the "Sold by" section. At iBox, we see waste management as more than just a necessity - it's an opportunity to revolutionize urban spaces, drive revenue, and support a greener, more sustainable future.
