

Inquiry about the purchase price of optical fiber cables

Overview

Factors like armor, jacket rating (LSZH), and raw material indices influence the final ex-factory. Since early 2026, the fiber optic cable price has been rising at an extraordinary pace. In some cases, suppliers only guarantee quotations for the same day, and in extreme situations even half-day quotations are appearing in the market. Commercial building installations with 100-200 network drops generally range from \$15,000 to \$30,000. As someone who has spent the last decade on the production floors here at Wolontek, I. CRU provides comprehensive, accurate and up-to-date price assessments and research reports for bare optical fibre across various key regional markets, combined with insights into the factors and events affecting markets.
