

# **Intelligent complete power distribution boxes can be customized as needed**

## Overview

---

Professional-grade customizable distribution boxes featuring advanced protection systems, flexible configuration options, and smart monitoring capabilities for optimal power distribution management in commercial and industrial applications. The printed circuit board inside the box is customized according to your requirements. As one of the world's leading providers, INDU-ELECTRIC manufactures customized Power Distribution Solutions for every application. Our portfolio covers the full spectrum of Power Distribution Units – from permanently installed wall-mounted units to a wide range of mobile solutions.
