

# **Is the MA5675M a fiber optic switch**

## Overview

---

The HUAWEI SmartAX MA5675M Fiber Optic Modem is an enterprise-level routing gateway designed for high-performance networking. The ODN is composed of passive optical components (POS), such as optical fibers, and one or more passive optical splitters. SmartAX MA5675 is Multi-service access equipment, single GPON Uplink module (NON SFP with Uplink module SC/APC 4GE+4POTS+WIFI and AC power Adapter SmartAX MA5675 is an indoor optical network unit (ONU) developed for small office and home office (SOHO), small-and medium-sized enterprise (SME) users. Enterprise-Level Routing: Equipped with 4GE ports, 8POTS, 1USB, and WiFi capabilities, this modem acts as a.
