## Overview

---

Oplaend System AS Norway is the group's main production plant for multidiscipline support systems, cable ladders and cable trays of steel. The sales organisation is targeted at the Norwegian market for oil & gas, shipbuilding, infrastructure, wind energy and marine farming. We have wire trays, data racks and all accessories you need to install your cables in an easy, fast and high qualitative way. New name, new look, same Nordic quality. We continue to drive innovation in cable management solutions, with complete cable. We work with engineering, advanced plate processing, certified welding and assembly.
