

# **Oman manufactures optical module die-casting plants**

## Oman manufactures optical module die-casting plants

---

# High Pressure Aluminium Die Casting For Optical Sight Housings In

---

As one of the trusted High Pressure Aluminium Die Casting For Optical Sight Housings Manufacturers in Oman, we use advanced die casting techniques and strict quality checks to make sure that every

## OAC

---

Oman Aluminium Cast. Benefits For Customers 4 different products. Superior liquid Aluminium covering the needs for alloys down to very low Fe and impurity contents.

## **Oman Aluminum Die Casting Market , 2019 - 2030 , Ken Research**

---

The Oman Aluminum Die Casting Market is valued at approximately USD 340 million, reflecting a robust growth trajectory driven by increasing demand for lightweight materials, particularly in the automotive

### **Synergies Castings LLC**

---

Synergies Castings Oman (SCO) is an IATF 16949:2016 accredited manufacturer of high-tech aluminium alloy wheels, established in 2017 with a vision to

### **SYNERGIES DIGITAL PROFILE 2024**

---

Our fully automated production line, stretching 700 meters, integrates smelting, low-pressure die casting, flow-forming, heat treatment, CNC machining, painting, and packing.

## **8 Top Manufacturing Companies in Oman · May 2026 , F6S**

---

Detailed info and reviews on 8 top Manufacturing companies and startups in Oman in 2026. Get the latest updates on their products, jobs, funding, investors, founders and more.

## **Our Trusted Associates and Subsidiaries , Oman Cables**

---

Explore Oman Cables' trusted associates and subsidiaries. Discover our strong partnerships that contribute to our electrical solutions and industry expertise.

## **Plastic injection and die casting moulds, optical inserts**

---

SabriScan has extensive experience in designing and manufacturing moulds and optical inserts and offering mould after sales services.

## **Top 5 Metal Casting Companies in Oman (2026) , ensun**

---

When exploring the metal casting industry in Oman, several key considerations come into play. The regulatory framework is critical, as compliance with local and international standards is essential for

## **Die Castings In Oman, Manufacturers Suppliers**

---

As one of the trusted Die Castings Manufacturers in Oman, we use advanced die casting techniques and strict quality checks to make sure that every component meets industry

## **Top 5 Metal Casting Companies in Oman (2026) , ensun**

---

Oman Aluminium Cast LLC (OAC) specializes in high-end aluminum products, including foundry alloys and busbars, highlighting its unique capability in aluminum casting. The company's advanced

## **Application Of Die-Casting In Optical Module Housing**

---

Precision die-casting is widely used in optical module housing to provide necessary structural integrity for sensitive optical components.

## Synergies Castings to establish aluminium wheel

---

Sohar Aluminium has signed an agreement with Synergies Castings for the delivery of aluminium to a wheel manufacturing plant that will be built in

## Home - Oman Fiber Optic

---

Oman Fiber Optic takes pride in being an Omani Company which is bringing the latest optic fiber technology solutions to its clients. Contact us!

## OARC

---

Oman Aluminium Rolling Company SPC (OARC) was established in 2011 as a green field aluminium rolling mill plant at the Sohar Industrial Estate to produce flat rolled aluminium products. The OARC

## OHI

---

In partnership with some of the world's leading manufacturers of high technology products, OHI Telecoms has been providing network design and engineering, equipment supply, installation,

## Aluminium Die Casting Manufacturers In Oman

---

As leading Aluminium Die Casting Manufacturers in Oman, we have been helping different industries like automotive, electrical, and machinery with high-quality die casting solutions that truly last. Our team

## Foundry Metal Casting in Oman , Sand Casting , Die

---

We have extensive experience in sand casting, cast iron casting, and aluminum casting. By combining modern foundry technology, skilled craftsmanship, and

## **OARC**

---

The plant was built to meet environmental and safety standards, and is equipped with modern industrial technologies for the aluminium coating industry. As a result of committing to such high safety

## **OMAN Steel Factory L.L.C.**

---

Oman Steel Factory is a leading provider of diversified engineering and contracting services with multiple facilities, within its primary facilities location in Al-Quoz,

## **Custom Zinc Alloy Optical Module Die Casting Shell Manufacturer**

---

If you are looking for the custom zinc alloy optical module die casting shell, we can offer the free custom services for you. Free samples available!

## **Outside Plant Division - Oman Fiber Optic**

---

The division specializes in turnkey fiber optic cable deployment projects. The Outside Plant Division's strategy is to provide communication services for Telecom

## **Die Casting In Oman, Die Casting Manufacturers**

---

With advanced machinery and technological expertise, we can produce customized Die Casting Moulds from samples and drawings with 100% specification accuracy to be used

in die casting of aluminium

## **Oman Aluminum Die Casting Market , 2019 - 2030 , Ken Research**

---

Oman Aluminum Die Casting Market valued at USD 340 million, driven by automotive and construction demand for lightweight materials, with growth in electric vehicles.

## **Investing in a Solar Module Factory in Oman: A Guide**

---

Explore a de-risked model for a turnkey bifacial solar module factory in Oman. Align with Vision 2040 and supply giga-scale projects. Learn how to start.

## **SYNERGIES DIGITAL PROFILE 2024**

---

SYNERGIES CASTINGS OMAN Forging the Future of Alloy Wheels Through Innovation, Quality and Precision About Us Born in 2017 The journey of Synergies Castings Oman (SCO) began with a

### **Die Casting Mold Design & Manufacturing Manufacturer & Exporters**

---

With a strong global supply capability, the company is committed to delivering reliable, high-precision die casting components that help Omani clients enhance product competitiveness and achieve long-term
