

SC adapter Bhutan

Overview

Most Europeans do not need a travel adapter or transformer when traveling to Bhutan. Bhutan Adaptor Kit allows you to plug in your North America or European appliances into Bhutan wall outlets. There is no one type that is more common than any other so you may be faced with any one of the sockets pictured to the right. Not to worry, we have all the information you need to ensure a problem-free trip. In Bhutan, power plugs and sockets (outlets) of type D, type F and type G are used.
