

Slovakian armored optical cable manufacturer

Overview

Optolab Solutions is a high experienced supplier in fiber optics based in Bratislava Slovakia with a focus on fiber optic connectors, assemblies and custom fiber optic products for use in harsh environments. Whether you need cables for white appliances, military, industrial, or special applications and many more, CABLElink Slovakia has. Since 1984, Foss has been a market leader in fiber optic infrastructure, with systems that cover everything from transport networks and residential buildings to data centers, industrial buildings, defense, and offshore. SYLEX specializes in high-quality optical interconnect solutions, including MTP® harnesses and various assemblies, making it a key player in the fiber optic cable market. Their robust engineering and manufacturing capabilities ensure the rapid delivery of both high-volume and custom-tailored fiber. Reliable solutions for the defense and technology industries — engineered and manufactured in Slovakia SHADOW EYE designs and produces optical instruments and protective components that combine engineering precision, process control, and long-term trust with partners across Europe. contact us! Finalised products are built to ISO9001:2015, IATF 16949:2016, and IPC/WHMA-A-620, UL508A, UL764 quality standards and tested to comply for use within the.

Slovakian armored optical cable manufacturer

About SHADOW EYE - Manufacturer of optical systems for defense

We are a Slovak company with a technical mindset and international reach, uniting experts in optical materials and precision manufacturing for land, armored, and special-purpose platforms.

Military Solutions , OCC , Optical Cable Corporation

The result was military fiber optic cables that were easy to deploy and performed under the harshest of conditions. The strength of our military-grade cable solutions was the foundation and inspiration for

Foss Fiber Optics

Norwegian and Slovak production In our factories in Norway and Slovakia, we produce systems based on high-quality optical connectors and cables. We

Armored Fiber Optic Cables

Armored Fiber Armored Fiber Optic Cable, sometimes referred to as MC Fiber Cable or BX Fiber Cable, is optimized to protect your fiber cable, avoiding any and all

SHADOW EYE - Precision optics for warsaw pact and NATO platforms

SHADOWEYES.r.o. is a Slovak manufacturer of optical instruments, protective glass, and precision components for the defense and technology sectors. We specialize in the

design and production of

Vitajte na stránke Foss Fibre Optics.

In our factories in Norway and Slovakia, we produce systems based on high-quality optical connectors and cables. We manufacture data racks in aluminum and have

Armored optical cable, Shielded optical cable

Find your armored optical cable easily amongst the 79 products from the leading brands (BANNER, CORNING, LAPP,) on DirectIndustry, the industry specialist

Armoured Fiber Optic Cable Manufacturers in India
