

Sri Lanka Low and Medium Voltage Complete Equipment Manufacturer

Sri Lanka Low and Medium Voltage Complete Equipment Manufacturer

EMP is a premier Low Voltage panel manufacturer in Sri Lanka

Welcome Electro Metal Pressings (Pvt) Ltd (EMP) is a premier Low Voltage (LV) panel manufacturer in Sri Lanka engaged in designing, manufacturing, and exporting LV panel boards up to 6000A

Siegman Electric (PVT) LTD , Industrial Electrical Solutions Sri Lanka

Siegman Industrial Electrical provides complete electrical solutions for residential, commercial, and industrial buildings. Our services include power distribution, lighting systems, automation, and energy

Products - Power Logic Engineers

The hybrid joints and cable terminations that have been specially developed by BBC Cellpack for medium-voltages, combine components made out of silicone rubber and heat shrink products for

Magline Switchboards Pvt Ltd

Sub distribution panels, Cable management systems and server rack systems for industrial and domestic applications in Sri Lanka. We have our own designing

Electro Metal Pressings (EMP): Our Group LV Panels, Casings and

EMPGroup-Electro Metal Pressings(EMP)Sri Lanka Manufacturing and installation of low voltage and extra low voltage panel boards. Steel enclosures, Wall mounting enclosures, Floor mounting

Electrical

As the leader in providing turnkey solutions that have reshaped the Engineering landscape in Sri Lanka, DIMO dominates the industry with reliable, safe, and

Electrical & Electronics Services

VARIOSYSTEMS SRI LANKA- In 1998 Variosystems started operations in Sri Lanka as a joint venture with swindo Electronics Ltd and in year 2003 Variosystems fully

EMP is a premier Low Voltage panel manufacturer in Sri Lanka

The company has won numerous awards and is recognized both locally and regionally for manufacturing superior quality Low Voltage Power Distribution

Sierra Cables PLC

Sierra Cables PLC is a subsidiary of Sierra Group in Sri Lanka, manufacturing a range of industrial electrical cables for local and international markets.

EMP is a premier Low Voltage panel manufacturer in Sri Lanka

ElectroMetal Pressings (EMP) Sri Lanka Manufacturing and installation of low voltage and extra low voltage panel boards. Steel enclosures, Wall mounting enclosures, Floor mounting enclosures,

Transformers Supplier in Sri Lanka. Manufacturer & Exporter to 100

Low Voltage Transformer - Handles voltages up to 1,000V, used for small devices and household appliances. Medium Voltage Transformer - Manages voltages between 1,000V to 35,000V, common

Divolca , Micro Electric International , Made In Sri Lanka ,

Manufactured using environment-friendly technology and raw materials, Divolca electrical products and accessories are trusted for their high quality and reliability.

VEE Power Solutions - VEE Power Solutions

VEE Power Solutions specializes in power panel manufacturing, offering advanced solutions for seamless control, safety, and functionality of electrical networks.

Power Distribution Boards

For over 30 years, KIK Lanka has been the trusted partner for mission critical electrical panel solutions. We engineer our products to meet the uncompromising demands of industrial applications precision

ELECTRICAL PRODUCTS

Low Voltage Engineering Products & Services PRODUCTS & SERVICES FOR SRILANKA KIK Engineering offer solutions to suit ever-changing, Low Voltage Electrical engineering requirements.

Medium And Low Voltage Panel In Sri Lanka

As one of the best Medium And Low Voltage Panel Manufacturers in Sri Lanka, we are trusted by people not only within the boundaries but even beyond that. Our custom-based products are able to match

About - OMO Engineering (Pvt) Ltd

Beginning with the manufacturing of control panels, we have steadily evolved with time and technology and have significantly expanded our operations. Today, we manufacture and export a complete

ACL Cables PLC

ACL Cables PLC, Sri Lanka's No.1 cable manufacturer recently completed another significant milestone with the installation of its fourth 'ACL SAX' 80mm² 33KV

low voltage switchgear Manufacturers serving Sri Lanka ,

Point Eight Power - Low-Voltage Equipment Point Eight Power offers a wide array of equipment for low - voltage applications including generator control, distribution, cogeneration, peak shaving and outdoor

About Electro Metal Pressings (EMP): LV Panels,

About Electro Metal Pressings (EMP) Sri Lanka Manufacturing and installation of low voltage and extra low voltage panel boards. Steel enclosures, Wall mounting

Electro Lanka - Powering Progress with Precision

Our locally engineered products are built to meet modern electrical demands, ensuring reliability and durability with every installation. Backed by a skilled team and years of experience, Electro Serv

Meklet

With advanced in-house design and a state-of-the-art manufacturing facility, we specialize in low-voltage power panels, modular enclosures, server racks, and fire-rated cabinets tailored for diverse industrial
