

# Swiss Intelligent Micro-Module Customization Company

## Swiss Intelligent Micro-Module Customization Company

---

### 3S Swiss Solar Solutions completes 250 MW module

---

Switzerland-based module manufacturer 3S Swiss Solar Solutions opened its second production facility in its home country.

### SUSS Semiconductor Equipment Manufacturer , SUSS

---

SUSS is a leading provider of precision-engineered systems and process solutions for backend lithography, wafer bonding, and photomask processing. Guided by a

## SwissChips initiative: a boost for the Swiss chip industry

---

Strengthening Swiss research collaboration in the field of IC design and microelectronics  
The SwissChips initiative is a joint project of CSEM, EPFL and ETH Zurich, supported by various Swiss

## Innovation in Miniaturization & Medical Technology , Swiss

---

GS Swiss specializes in highly miniaturized micro circuits designed for the medical technology sector. Renowned for its expertise, GS Swiss produces ultra-reliable HDI flex, rigid-flex, and rigid printed

## Microdul AG

---

Welcome to Microdul--your specialized EMS (Electronics Manufacturing Services)

provider for cutting-edge miniaturized electronics. We manufacture sophisticated electronic modules for medical devices,

## Company Profile

---

HMT specialises in "mixed signal" ASICs, modules and microelectronic systems, particularly for sensors and actuators. In these devices the analogue elements

## AC5000 Small Intelligent Micro-module Data Center

---

AC5000SmallIntelligentMicro-moduleDataCenterTheAC5000SeriesIntelligentMicro-Module Data Center adopts a modular, prefabricated, and intelligent

# Innovation in Miniaturization & Medical Technology , Swiss Technology Group

---

At the Swiss Technology Group, we bring together the precision manufacturing of ultra-complex, miniaturized micro circuits with

## Overview and Positioning

---

EM Microelectronic-Marin SA, or simply EM Microelectronic, started its activities in the 1970's by designing miniaturized, ultra low power integrated circuits for watches in the town of Marin near

## Swiss Modular Buildings

---

Wir sind Full Service Partner für hochwertige, designstarke und individuell konzipierte Modulbauten für jeden Einsatzbereich in hochwertiger Qualität und mit fairen Preisen.

## **Industrial storage and security solutions - Made in Germany**

---

We provide industry-leading data storage and endpoint protection solutions that ensure reliable data storage, data protection, and secure access for critical applications.

## **The microelectronics industry in Switzerland**

---

This company directory is to the best of our knowledge as per today. Each company is listed only once even if its portfolio of products and services would justify several entries.

## **Microdul AG**

---

Für hochwertige Mikroelektronik ist Microdul Ihr Spezialist über sämtliche Prozesse in den Bereichen Semiconductors, Mikromodulen und Dickschichttechnik.

## Swiss Made Electronics Manufacturing Services

---

Electronics Manufacturing Services. We engineer, prototype, manufacture and assemble your Electronic Products. For Companies and Startups.

## Switzerland Strategy

---

SwissChips offers Switzerland the opportunity to independently launch an initiative in the semiconductor sector that involves the most important Swiss players and

## **Enhancing Flexibility and Customization with Modular Components in**

---

The integration of modular components in IoT architecture significantly enhances the flexibility and customization capabilities of IoT systems, providing businesses and urban centers like Riyadh and

## **Swiss Modular Buildings**

---

We are a full service partner for high quality, strong design and individually conceived modular buildings for every area of application in high quality and with fair prices.

## **Top 100 Microchip Companies in Switzerland (2026) , ensun**

---

They offer tailored chips and modules for various uses, including access control and radio frequency identification, highlighting their expertise in microchip design and

## About Us

---

About Us Meet the Facilitators: ModuleWorks GmbH - Empowering the Future of Data Exchange Behind the MDES initiative stands ModuleWorks GmbH, a quietly influential force in the realm of software

## GS Swiss PCB: Manufacturer of Miniaturized and

---

Swiss manufacturer of highly miniaturized and reliable flex, rigid-flex, and rigid PCBs using both conventional, subtractive and SAP-technology

## Intelligent Power Module (IPM) Devices

---

ST's power modules help you simplify designs and reduce component count. Save costs with ST's intelligent power modules (IPMs) for flexible and robust designs,

## Semiconductors , Industries , CSEM

---

We are Europe's leading independent supplier of ultra-low-power (ULP) ASIC design services. From high-performance functional circuit blocks and complete

## Microdul AG

---

Willkommen bei Microdul - Ihrem spezialisierten EMS-Dienstleister (Electronics Manufacturing Services) für miniaturisierte Elektronik der Spitzenklasse. Wir fertigen anspruchsvolle Elektronikmodule für

## Company

---

Swiss, Swissflex, Swissflex Microelectronics, Custom thin film circuits, Ultra thin flex, Ultra thin flexible, Ultra thin flex circuit, Ultra thin flexible circuits, Ultra thin flex manufacturing, Ultra thin flexible

## Modulos Raises CHF 8.7M Pre-Series A to , Modulos Press

---

Modulos raises CHF 8.7M to scale its AI governance platform, automating compliance with the EU AI Act, NIST RMF and ISO 42001.
